LOGAN, Jan. 3.—What for some time

has been a public controversy here,

the school board, which for four years

has ruled the destinies of the educa-

bring about a change in its

composition. The board, which

STRANGER THAN FICTION

A Remedy Which Has Revolutionized
the Treatment of Stomach
Troubles.

The remedy is not heralded as a won-
derful discovery nor yet a secret patent
medicine, neither is it claimed to cure
anything except dyspepsia, indigestion
and stomach troubles with which nine out
of ten suffer.

The remedy is in the form of pleasant
tasting tablets or lozenges, containing
vegetable and fruit essences, pure aspic
pepsin (Government test), golden seal and
diastase. The tablets are sold by drug-
gists under the name of Stuart's Dyspep-
sia Tablets. Many interesting experi-
ments to test the digestive power of
Stuart's Tablets show that one grain of
the active principle contained in them is
sufficient to thoroughly digest 200 grains
of raw meat, eggs and other wholesome
food.

Stuart's Tablets do not act upon the
bowels like after-dinner pills and cheap
cathartics, which simply irritate and in-
flame the intestines without having any
effect whatever in digesting food or cur-
ring indigestion.

If the stomach can be rested and as-
sisted in the work of digestion it will very
soon recover its normal vigor, as no or-
gan is so much abused and overworked
as the stomach.

This is the secret, if there is any secret,
of the remarkable success of Stuart's
Dyspepsia Tablets, a remedy practically
unknown a few years ago and now the
most widely known of any treatment for
stomach weakness.

This success has been secured entirely
upon its merits as a digestive pure and
simple because there can be no stomach
trouble if the food is promptly digested.

Stuart's Dyspepsia Tablets act entirely
on the food eaten, digesting it completely,
so that it can be assimilated into blood,
nerve and tissue. They cure dyspepsia,
water brash, sour stomach, gas and bloating
after meals, because they furnish the
digestive power which weak stomachs
lack and unless that lack is supplied it is
useless to attempt to cure by the use of
"tonics," "bills" and cathartics which
have absolutely no digestive power.

Stuart's Dyspepsia Tablets can be
found at all drug stores and the regular
use of one or two of them after meals
will demonstrate their merit better than
any other argument.

FUNERAL OF COL. FERRY.

It Is to Be Held at Park City Tomor-
row—Remains to Be Sent East.

Special to The Tribune.

PARK CITY, Jan. 3.—The funeral ser-
vices over the remains of the late Col.
William M. Ferry will be held at his resi-
dence in Park City on Thursday (tomor-
row), at 11:30 a. m. Friends are invited.
The services will be so arranged that
those who go from Salt Lake City can
return on the afternoon train. The re-
mains will be taken East, starting at 2
p. m., on a special train to Echo, which
will meet the Union Pacific overland train
at that point.

The funeral services will be conducted
by the Rev. R. G. McNeer of Salt Lake
City, assisted by the Rev. D. Q. Grubill,
Congregational minister at Park City.

The pall-bearers will be James T.
Keasel, H. S. Townsend, Frederick W.
Haight and W. M. Curtis of Park City,
and W. W. Armstrong and W. V. Rice
of Salt Lake City. The honorary pall-
bearers will be Judge C. S. Zane, Judge
Ogden Hiles, Judge H. P. Henderson,
James Farrell, Henry W. Lawrence and
A. Hanauer of Salt Lake, and James
White and F. W. Sherman of Salt Lake
City.

The fourth annual exhibit of the Ogden
Ferry and his family, which was held in
the pastime theater building tomorrow
evening, will be a unique one in Ogden.
The exhibit, which is a collection of
native Japanese direct from Tokyo, Japan-
ese modes of living, their gaudy costumes,
native sports, including wrestling, sparring
and fencing, will be shown.

There will be a double funeral in the Third
ward meeting-house at 2 o'clock Thursday
afternoon, when the services over Mrs. John
Ferry and her daughter, who died about the
same time, will be held.

There was trouble brewing at the City Council
tonight, but it did not appear on the sur-
face of proceedings. Mayor Glasemann had
called the meeting of the Council in appropri-
ate 1895 to each member of the body for
special committee work. In order to settle their
differences the Mayor called the Councilmen
into his private office before the session and
it is rumored that some warm remarks were
passed. It is said that the Mayor's objections
to their intended claims. The motion was
adopted, and it is said that the intended bills
will cost the city about \$25 per month more
than the original appropriation.

A. W. Brown and Elijah Farr appeared be-
fore the Council in behalf of the taxpayers of
sewer district No. 9 and asked for an explana-
tion of the discrepancy between the actual
cost of the work, namely, \$41.50, and the
amount of the levy, \$22.20. The Engineer
was called in and attempted to explain the
matter, and was chastised by Farr and Nye
objected and the conversation was dropped.
Claims and penalties amounting to \$250 were
paid. A new team of horses was ordered for
the fire station. The sanitary inspector re-
ported that fifty cases of measles exist in the
city. The clerk of the Police court reported
collections for the month of \$184.69. The En-
gineer estimated that the cost of the water
works, which was paid, C. E. Layne
and a number of others petitioned to have
Grant Street widened from Third to Second
streets. The matter went to the
street committee.

The Board of Education met in final session
this afternoon and closed up business for
the year. The regular bills were allowed and the
board listened to short talks by Superintendent
Allison and Clerk Rolapp, who felicitated
the board on the pleasant relations existing
between the officers and teachers of the schools
and predicted a very successful year.

The Republican, who was elected to
succeed Mr. Isaacs, will not take his seat un-
til Friday. It is not probable that there will
be any change in the officers of the board.
The election will not take place until Friday,
but it is expected that Judge Dea will be re-
elected president and Mr. Rolapp re-elected
secretary. The personnel of the board practically
insures the re-election of Mr. Allison as
superintendent.

It seems that the families of Mr. Wilson
and Robert Lay live in the same building, each
occupying a couple of rooms. Mrs. Wilson
and Mr. Lay, so your correspondent is in-
formed, got to quarreling last Friday and Mrs.
Layne accused the other woman with having
stolen half a sack of flour. When Mrs. Wilson
came home for lunch his wife told him of the
affair. He about the matter and when he
knocked at the door he was confronted by Mr.
Lay, who, without a word or a moment's
warning, struck at Wilson with a large pocket-
knife.

Wilson did not realize that he had been cut,
and struck back at Lay. Lay made another
stab with his knife and caught Wilson in the

left side of the abdomen. Wilson then saw
that Lay had the knife and started to run,
but the first knife thrust had cut the sub-
clavian artery and he soon became insen-
sible and fell. A neighbor who saw the affair
hastened to Mr. Wilson and got the services
of a physician. He could not detect any pulse
at all, but by persistent work he finally got
the injured man out of imminent danger. He
was taken to the mining company's hospital,
and it is believed he now has a fair chance to
recover. Had it not been for the fortunate
circumstance that the physician was in the
immediate vicinity when the tragedy occurred
Mr. Wilson would have bled to death in a
few minutes more.

Lay was at once arrested and on Saturday
was taken before the Justice of the Peace.
He was examined and was found over-
the District Court in the sum of \$1000. Sunday
and Monday he was kept in the jail, and on
